Donation Campaign Children's Hospice

The reception given to our donation campaign by our customers in 2012 encouraged us in 2013 to once more promote a donation campaign for a charitable organisation instead of a Christmas event. Our choice for Christmas 2013 was again children's and young person's outpatient hospice service of the Malteser Hospice St. Raphael in Duisburg.

This organisation is specialised in caring for families with a child or a young person suffering from a progressive or life endangering illness.

Our Mr. Mutz, member of the corporate management, presented Mr. Tewes, Manager of the Children's and Young Person's Hospice, a cheque for the "Red Piggybank". Mr. Tewes stated: "The money donation from Stahlrohr will be used for individual and outpatient care and attention of children and their relatives".

Extension of Seamless Pipe Range

Following numerous requests from our customers, we have now extended our range of seamless steel pipes. As of now, we additionally hold on stock **seamless, normal wall thickness steel pipe** in the range OD 33.7 mm up to 406.4 mm according to EN 10216-1 in material grade P235 TR2, as well as EN 10210/ 1+2 in material grade S235 JRH. We also stock **seamless threaded pipes** from 1/2" up to 3" according to EN 10255 in material grade S 195.

Seamless, normal wall thickness **boiler tubes** are also available. We stock tubes from OD 21.3 mm up to 355.6 mm according to EN 10216-2 in material grade P 235 GH/TC1.

Please send us your enquiries and requirements - we are happy to provide you with an offer.
